**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Over the years At&t and Comcast, who I have been a consumer of in the past charge way to much money for there products. Please give the small guys a chance. Sonic is the first company to provide high speed internet at a fair price with no gimics. I can't afford what the other two companies charge.
